

Kiwanis Club of Sunrise Vista and the Vista Education Foundation

proudly present the

31st annual Sunrise Vista Kiwanis Charity Golf Tournament

Monday, August 4, 2025

Dear Friend,

The Kiwanis Club of Sunrise Vista and the Vista Education Foundation (VEF) are celebrating their 10th year working together on our charity golf tournament! The Kiwanis Club of Sunrise Vista and the Vista Education Foundation are both non-profit organizations. Kiwanis is dedicated to “Serving the children of the world, one child and one community at a time”. The Vista Education Foundation (VEF) seeks and responds to funding requests from Vista Unified Schools, PTAs, and Community Organizations.

This year's golf tournament will be held on August 4, 2025, starting at 9:00 AM at El Camino Country Club in Oceanside, California. Proceeds from the golf tournament will be used to benefit children and families in our local community of Vista California.

We would like you to consider making a donation to our golf tournament that may be used as a raffle or auction item. This is one of the major fundraisers for the Kiwanis Club of Sunrise Vista and the Vista Education Foundation.

Every dollar raised through this golf tournament goes directly towards improving programs in our local community. Kiwanis Club of Sunrise Vista supplies books for Treasure Chests of Books in Vista elementary schools and have handed out over 7000 books in the last 2 years to children along the Vista Holiday Parade route. In addition, we have partnered with the Bella Mente Academy to help students improve their reading abilities. Our foundation has handed out over 25,000 rewards to students in the BUG program (Bring Up Grades - rewarding students who have improved grades). Kiwanis Club of Sunrise Vista and the Vista Education Foundation have donated over a combined \$50,000 in Educational & Arts Scholarships in the last 2 years. The Vista Education Foundation encourages students, recognizes teachers, and provides funding for school activities and projects.

In addition, we support the military and first responders by providing a free, fun day of golf (including breakfast, lunch, and prizes) to reward them for their service. Over 40 military and first responders participated in our 2024 tournament!

We look forward to your donation of an auction/raffle item for this year's event. Your participation is essential for this event to be successful. The Kiwanis Club of Sunrise Vista and the Vista Education Foundation thank you for your kind donation and for supporting our local youth.

Please contact me if you have any questions or need to arrange for the item to be picked up. Kiwanis of Sunrise Vista's non-profit tax ID is 46-1268314. The Vista Education Foundation tax ID is 84-1647372. Donations may be forwarded to the following address:
